## SOULMATES

Adam the penguin was lonely! The mating season came and he was alone without a soul-mate.

Seeing his family expanding and moving forward, he decides to leave his home land, so his family is not upset with his own misfortune.

Once Adam leaves, a fellow penguin Eve joins him on the same path. As their lives cross, sparkle of love comes out!

Finally They make their own family!

The message:

No matter how hard things might be, there is always something or someone to each of us. Do not get obsessed . When it is time to happen, it will.
